

PE's Professional Year Statistics

Does your PY provider help you take control of your future and kick-start your career? PE has become Australia's #1 PY provider by helping students achieve much more than just migration points.

All our graduates are independently surveyed by McCrindle Research.

How they rate their experience and their program outcomes speak for themselves:

Before the PY Program at PE

58%

of students did not feel prepared for the workforce

After Completing the PE PY Program

89%

of students rate their preparation for the workforce as 'Outstanding', 'Very Good' or 'Good'

How PE's PY program is rated by its graduates

93%

rate the quality of trainers as 'Outstanding', 'Very Good' or 'Good'

87%

rate the support from non-teaching team members as 'Outstanding', 'Very Good' or 'Good'

92%

of students rate the quality of lessons and information as 'Outstanding', 'Very Good' or 'Good'

97%

improved their understanding of the Australian workplace

What happens to graduates who complete their PY with PE?

96%

improved their confidence and their ability to interview

97%

improved their communication and networking skills

86%

say their PY qualification made a difference in getting a job

1 in 3

PE graduates were offered a job with their host company following their internship

Come experience the PE difference. Your future career will thank you for it. [#morethan5points](#)
